ServiceNow Project (ITSM):

Employee Onboarding Application

Role: ServiceNow Fresher / Developer

- Developed an **Employee Onboarding application** using **ServiceNow ITSM**.
- Created **Service Catalog items** to collect employee details during onboarding.
- Designed **Variables and Variable Sets** for personal, job, and location information.
- Implemented **dynamic field behavior** (show/hide fields based on country, department, role).
- Built onboarding workflows using **Flow Designer**.
- Configured **multi-level approvals** (Manager, HR, IT).
- Automated **task creation and assignment** for HR and IT teams.
- Developed **Catalog Client Scripts** (onLoad, onChange) and **UI Policies**.
- Used **Glide APIs** for client-side and server-side scripting.
- Built a ServiceNow **Order Guide** with Software, Hardware, and Services items.
- Implemented **approval workflows, parallel catalog tasks, SLA configuration, and email notifications**.

Academic Project:

Single Smart Card ATM System

Role: Team Lead / Developer

Institution: Krishna Chaitanya Degree & PG College

- Led a team in developing a “Single Smart Card ATM System” aimed at reducing user complexity by eliminating the need for multiple bank ATM cards.
- Designed and implemented a centralized system where users could link multiple bank accounts to a single smart card, enabling them to perform various payment and withdrawal transactions seamlessly.
- Developed the application using Visual Studio 6 (Visual Basic) and Microsoft Access as the database, deployed on a Windows 10 platform.
- Built modules for user authentication, account linking, transaction processing, and card management, ensuring security and ease of use.
- Collaborated with teammates on requirement gathering, coding, testing, and debugging, ensuring timely delivery of the project.

- Participated in requirement analysis, development, testing, and debugging.

Tools & Environment:

Visual Studio 6, Microsoft Access, Windows 10

Hobbies:

- Traveling
- Gardening
- Gaming
- Photography

Certifications:

Agile Methodology Virtual Experience Program by Cognizant	Dec 2022
Java Fundamentals by Infosys Springboard	Feb 2022
Transition to Scrum: Agile Foundation to Scrum by Skillsoft	Nov 2022
